NEAR CANNELBURG*

*Left: The Farm House around 1939 In this picture you get a clear view of what the house looked like on the front. John & Mary Lucy Kavanaugh are pictured with their Daughter Rose Kavanaugh sometime before she entered the Convent.*

*Above: The Kavanaugh Home place as it appears today: John & Mary Lucy Kavanaugh raised their 11 children there and Louis & Catherine Kavanaugh raised their 10 children there. Their son Lee & Irma bought "The Farm" and after Lee's passing his widow Irma still has it in the Kavanaugh Name.*
