

*HOME PLACE OF TIMOTHY & MARGARET "NOLAN"
KAVANAUGH*

Left: Old Kavanaugh House. Also Home Place for Lawrence & Agnes "Healy" Kavanaugh. This is the Farm House that once stood on County Road 100 North just West of Cannelburg. It was once the home of Timothy and Margaret "Nolan" Kavanaugh where they raised their family. After their passing it was then passed down to his son Lawrence Kavanaugh who married Agnes "Healy" and they raised their Family on this farm. The house was torn down around 2012.

Below is another view of the Old Kavanaugh Farm House. It sat on the hill with a lane leading back to it. It was told to us that the house was built around a small log cabin. When Father Tim Kavanaugh a son of the Tim & Margaret Kavanaugh returned to the area he would celebrate a Mass in the house.
